

References and Sample Projects

RIF-P

Referenzen - References - Références

Project: Aluminium Pechiney, Dunkerque
Product: Aluminium Smelter
 High Performance Gravity Ventilator Series RIF-P

RIF-P

Referenzen - References - Références

Project: Aluminium Pechiney, Dunkerque
Product: Aluminium Smelter
 High Performance Gravity Ventilator Series RIF-P

RIF-P

Referenzen - References - Références

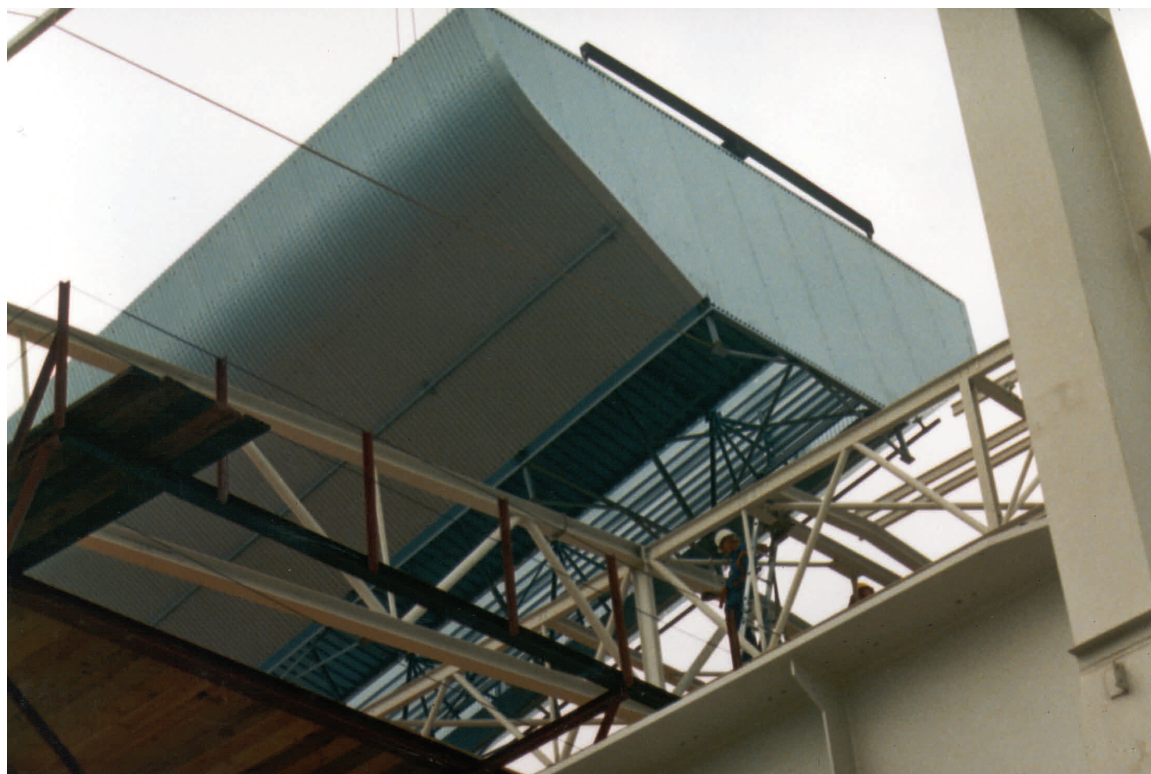

Project: Aluminium Pechiney, Dunkerque
Product: Aluminium Smelter
 High Performance Gravity Ventilator Series RIF-P

RIF-P

Referenzen - References - Références

Project: Aluminium Pechiney, Dunkerque
Product: Aluminium Smelter
 High Performance Gravity Ventilator Series RIF-P

RIF-O

Referenzen - References - Références

Project: Salzgitter AG, Werk Peine
Furnace Building
Product: High Performance Gravity Ventilator Series RIF-O

GL-L

Referenzen - References - Références

Project: AG der Dillinger Hüttenwerke
Rolling Mill
Product: Gravity Ventilator Series GL-L

RIF

Referenzen - References - Références

Project: AG der Dillinger Hüttenwerke
Steel Plant Expansion
Product: High Performance Gravity Ventilator Series RIF

RIF

Referenzen - References - Références

Project: AG der Dillinger Hüttenwerke
Steel Plant Expansion

Product: High Performance Gravity Ventilator Series RIF

RIF

Referenzen - References - Références

Project: AG der Dillinger Hüttenwerke
Rolling Mill Expansion
Product: High Performance Gravity Ventilator Series RIF with transparent roof

GL-DII

Referenzen - References - Références

Project: VAI, Voest-Alpine Industrieanlagenbau
Arcelor, Carinox Steel Complex

Product: Gravity Ventilator Series GL-DII

LUD-R

Referenzen - References - Références

Project: VAI, Voest-Alpine Industrieanlagenbau
Arcelor, Carinox Steel Complex

Product: High Performance Air Inlet Louvers Series LUD-R

RIF

Referenzen - References - Références

Project: ThyssenKrupp Steel AG
EBA 2
Product: High Performance Gravity Ventilator Series RIF with automatic smoke extraction

RIF

Referenzen - References - Références

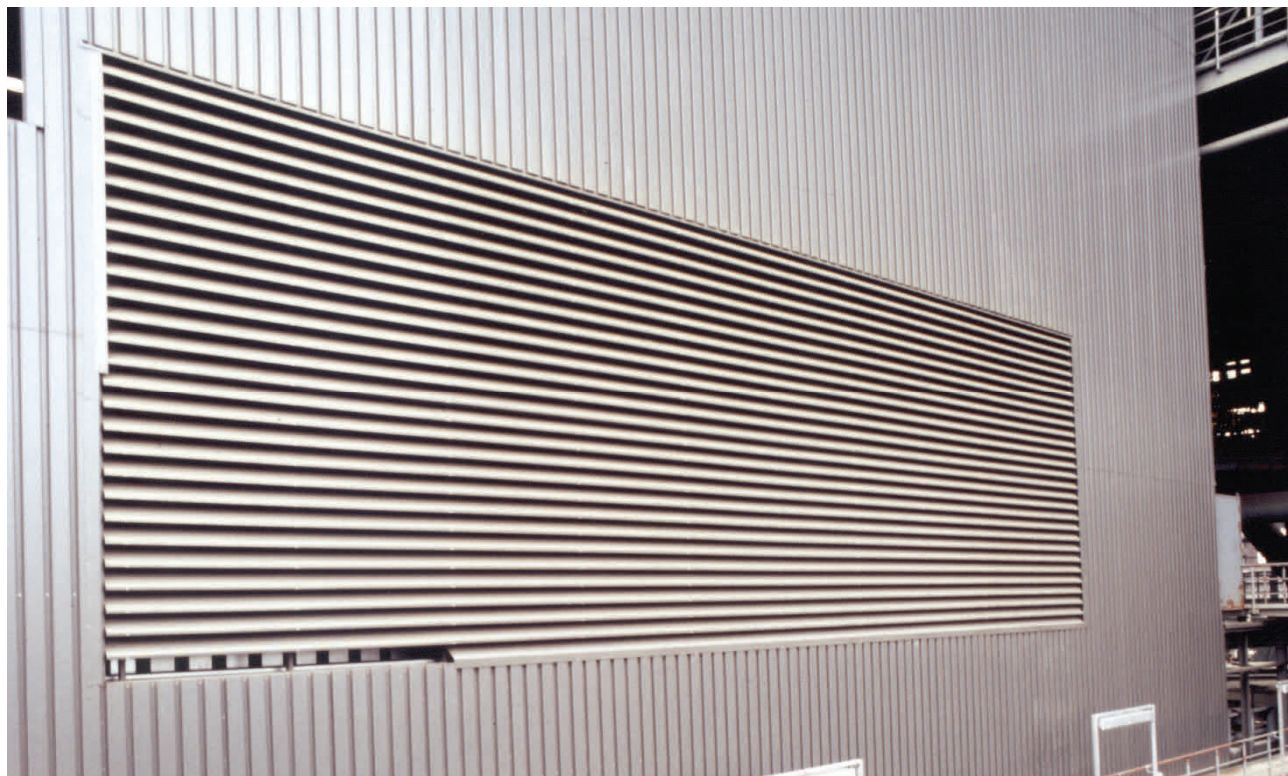

Project: ThyssenKrupp Steel AG
EBA 2
Product: High Performance Gravity Ventilator Series RIF with automatic smoke extraction

LUE-FW

Referenzen - References - Références

Project: ThyssenKrupp Stahl AG
Blast Furnace
Product: Rekonstruktion of air inlet louvers Series LUE-FW with sound silencers

LUE-R

Referenzen - References - Références

Project: ThyssenKrupp Stahl AG
Galvanizing Line 8
Product: High Performance Air Inlet Louvers Series LUD-R

LUE-R

Referenzen - References - Références

Project: ThyssenKrupp Stahl AG
Galvanizing Line 8
Product: High Performance Air Outlet Louvers Series LUD-R

RIF

Referenzen - References - Références

Project: Voest-Alpine
Steel Plant „Shlobin“, UDSSR (Belorus)

Product: High Performance Gravity Ventilator Series RIF and RIF-O

RIF

Referenzen - References - Références

Project: VAW Aluminiumwerke Neuss
Rolling Mill
Product: High Performance Gravity Ventilator Series RIF

RIF

Referenzen - References - Références

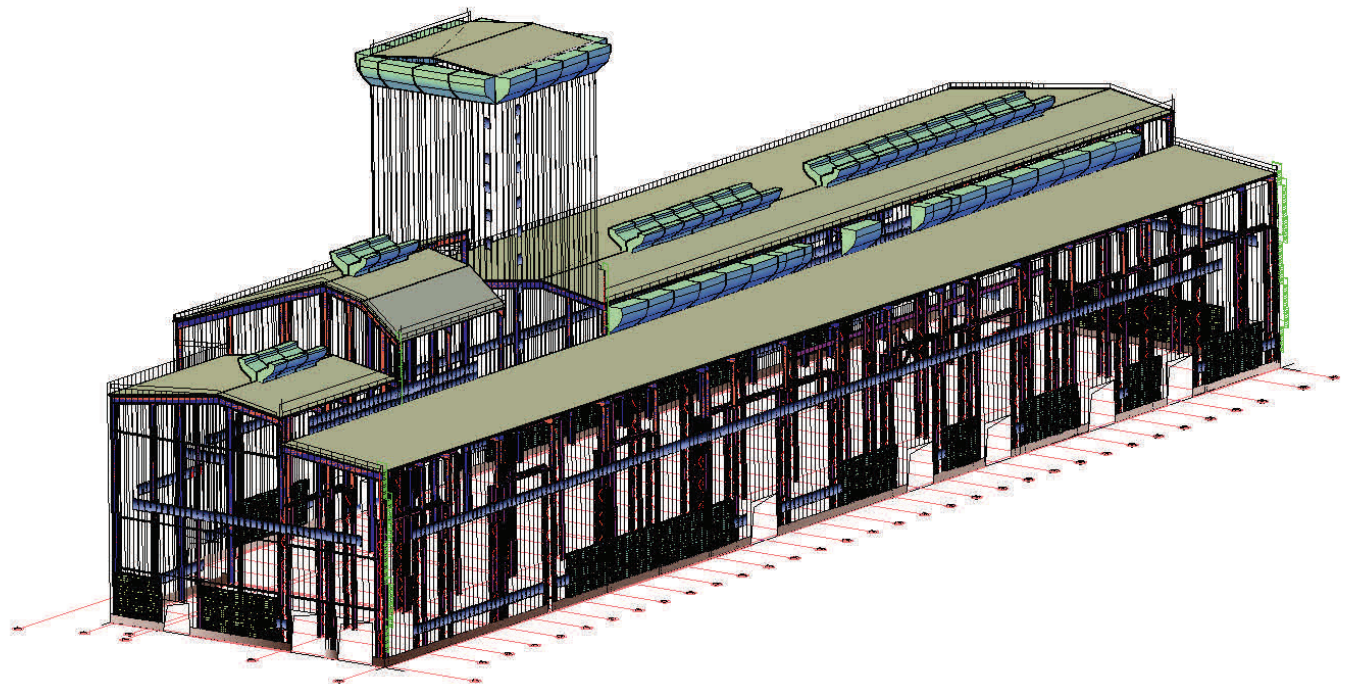

Project: VAW Aluminiumwerke Neuss
Rolling Mill
Product: High Performance Gravity Ventilator Series RIF

RIF

Referenzen - References - Références

Project: Kazzinc
Copper Smelter „New Metallurgy“, Kazakhstan
Product: Air Inlet Louvers Series LUD-R, High Performance Roof Ventilator Sries RIF-P and RIF-O

RIF

Referenzen - References - Références

Project: Kazzinc
Copper Smelter „New Metallurgy“, Kazakhstan
Product: Air Inlet Louvers Series LUD-R, High Performance Roof Ventilator Sries RIF-P and RIF-O

RIF

Referenzen - References - Références

Project: Kazzinc
Copper Smelter „New Metallurgy“, Kazakhstan

Product: Air Inlet Louvers Series LUD-R, High Performance Roof Ventilator Sries RIF-P and RIF-O

LUD-R

Referenzen - References - Références

Project: Kazzinc
Copper Smelter „New Metallurgy“, Kazakhstan

Product: Air Inlet Louvers Series LUD-R, High Performance Roof Ventilator Sries RIF-P and RIF-O

RIF

Referenzen - References - Références

Project: ThyssenKrupp Steel AG
Product: New Gravity Roof Ventilators for Blast Furnace No. 1
 Original old roof ventilators No. 3 & 4 installed by GAL in 1970 (COR-TEN Steel Cladding)

RIF

Referenzen - References - Références

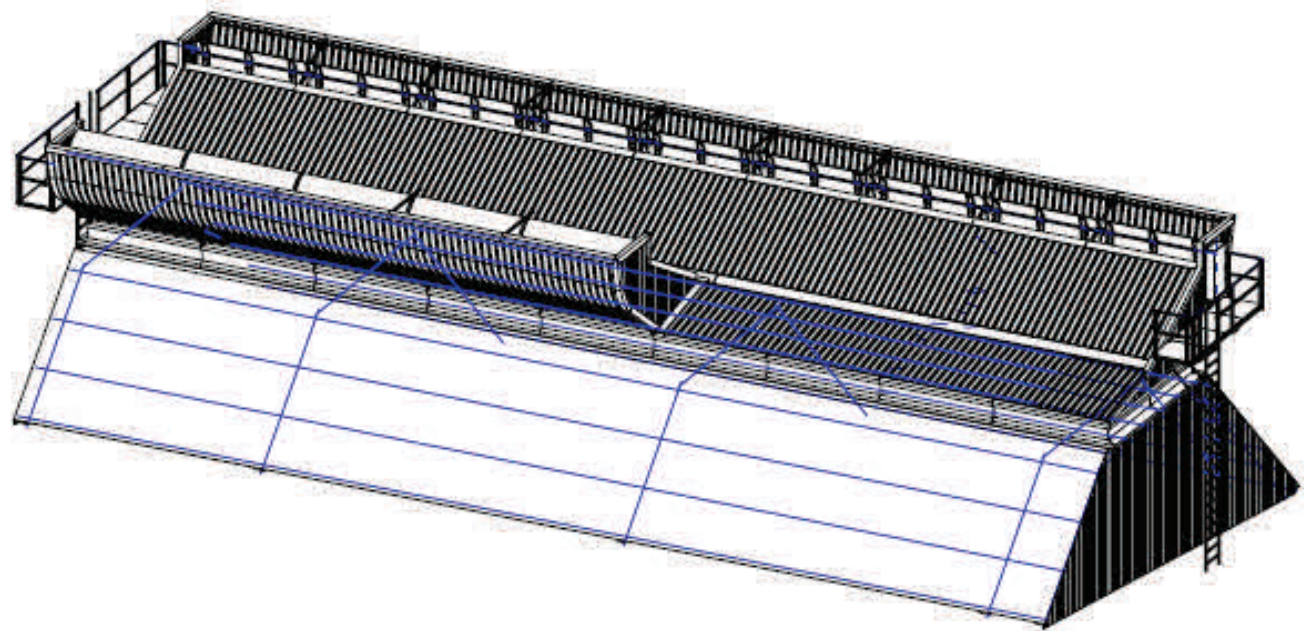

Project: ThyssenKrupp Steel AG
Product: New Gravity Roof Ventilators for Blast Furnace No. 1
 Original old roof ventilators No. 2 with cutout for machinery

RIF

Referenzen - References - Références

Project: ThyssenKrupp Steel AG
Product: New Gravity Roof Ventilators for Blast Furnace No. 1
 3D Layout of the replacement gravity roof ventilator No. 2

RIF

Referenzen - References - Références

Project: ThyssenKrupp Steel AG
Product: New Gravity Roof Ventilators for Blast Furnace No. 1
 High Performance Roof Ventilator Series RIF
 Special custom made asymmetrical shape

RIF-KS

Referenzen - References - Références

Project: Benteler Stahl/Rohr GmbH
Product: High Performance Roof Ventilator Series RIF-KS
 Special low profile variant for minimized wind loads

RIF-KS

Referenzen - References - Références

Project: Benteler Stahl/Rohr GmbH
Product: High Performance Roof Ventilator Series RIF-KS
 Special low profile variant for minimized wind loads

LUD-R

Referenzen - References - Références

Project: Schott Rohrglas
Product: High Performance Louvers Series LUD-R

RIF

Referenzen - References - Références

Project: Schott Glas
Product: High Performance Roof Ventilator Series RIF

RIF

Referenzen - References - Références

Project: O-I BSN Glasspack, Rinteln
Product: High Performance Roof Ventilator Series RIF

RIF-P

Referenzen - References - Références

Project: Trakya Glass Bulgaria (Sisecam Group)
New Float Glass Plant

Product: High Performance Roof Ventilator Series RIF-P

RIF-P

Referenzen - References - Références

Project: Trakya Glass Bulgaria (Sisecam Group)
New Float Glass Plant
Product: High Performance Roof Ventilator Series RIF-P

LUD-R

Referenzen - References - Références

Project: Trakya Glass Bulgaria (Sisecam Group)
New Float Glass Plant
Product: High Performance Louvers Series LUD-R

RIF

Referenzen - References - Références

Project: AVEA Leverkusen

Product: High Performance Roof Ventilator Series RIF

RIF

Referenzen - References - Références

Project: Vallourec Düsseldorf

Product: High Performance Roof Ventilator Series RIF

RIF

Referenzen - References - Références

Project: Float Glass Plant, Turkey

Product: High Performance Roof Ventilator Series RIF

RIF

Referenzen - References - Références

Project: Float Glass Plant, Russia

Product: High Performance Roof Ventilator Series RIF

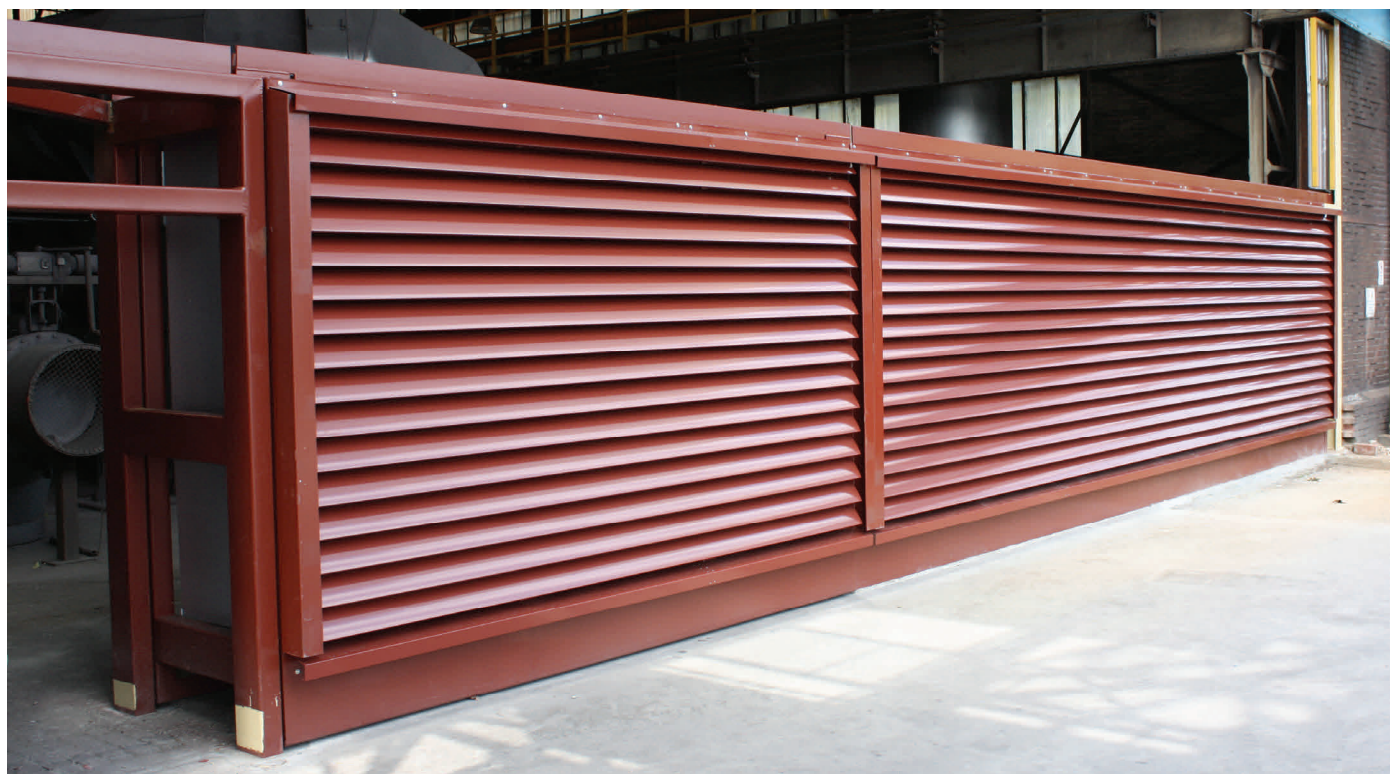

LUE-FW

Referenzen - References - Références

Project: Vallourec Düsseldorf

Product: Architectural Louver Wall Series LUE-FW with sound silencers

GL-DII

Referenzen - References - Références

Project: Extremely corrosion resistant roof ventilator
Steel structure made of massive rolled sections with a 850 μ coating
Cladding made of Polycarbobate

Product: GL-DII
